# ROCKY TOP
SMOKY PEAKS TO CRAFTS & CREEKS TRAIL®

*The "real" Rocky Top, for many, is the rocky outcropping in the Great Smoky Mountains on the Appalachian Trail at the Tennessee-North Carolina border (see point 124). The Newport area claims a Rocky Top; it's also a nickname for East Tennessee, the city of Knoxville and UT's sport venues. For locals, Rocky Top is simply a state of mind that is "home sweet home to me."*
